NEW 10TH DISTRICT SUPERVISOR IS ALREADY HARD AT WORK

Supervisor Bowen stresses collaboration

Milwaukee, WI – Milwaukee County Supervisor David F. Bowen is pleased to begin his first term as Supervisor for Milwaukee County's 10th District. "I'm eager to work with my constituents," Supervisor Bowen said. "I pledge to be easily accessible to them, and I'm a good listener who will act upon the concerns of the people who live, work, and play in District 10."

Supervisor Bowen's legislative aide, Dr. Larry Hoffman, has nine years of experience at the County Board and works thoughtfully at helping to fulfill the needs of callers. Bowen, who most recently was the Program Director of Urban Underground, added, "I'm excited to begin working hard with people of all ages in the district to address the issues we face."

"I also offer my Congratulations to our new County Board Chairwoman, Marina Dimitrijevic," Supervisor Bowen added. "I am confident in her leadership ability. In collaboration with her, the other members of the County Board, and our research staff, I expect to set a precedent of making significant progress to raise the quality of life in my district and countywide."

The County's 10th District is L-shaped, stretching from roughly Capitol Drive on the north, between I-43 and 27th Street, to Wisconsin Avenue on the south. The bottom of the L extends from 27th Street eastward to the Milwaukee River and jogs up to the Brady Street area. Supervisor Bowen's district covers much of the north side of the City of Milwaukee and part of the lower east side. He can be contacted at (414) 278-4265 or david.f.bowen@milwcnty.com.
